

Your support will make a difference!

Thousands of people of all ages visit the Park annually, using the playground, walking the trails, fishing in the ponds, playing soccer, volleyball, tennis and basketball, and enjoying seasonal entertainment or other special activities in the Park. You can help keep the ponds and streams healthy, native plants and woodlands thriving, the sports facilities first-class, the playground equipment safe, and the fields freshly mowed.

The Anson B. Nixon Park is the only Park in Chester County without tax-base funding. Your tax-deductible donation to the park will help bridge the gap between annual municipal grants and the real cost of maintaining the 106-acre Park.
